The screenshot shows the APA PsycNET website interface. At the top, there is a navigation bar with 'APA PsycNET™' and 'AMERICAN PSYCHOLOGICAL ASSOCIATION' logos. Below this is a search bar with 'Quick Search: search ... in All' and a 'Go' button. A blue banner below the search bar contains 'PsycTHERAPY HOME', 'SEARCH', 'BROWSE', 'PLAYLISTS', and 'HELP'. A link 'Sign in to PsycTHERAPY to save playlists' is visible on the right. The main content area displays 'Search results for recording date '1990-1999''. A red box highlights the text 'Your search found 23 results: refine your search >'. Below this, there are four video results, each with a thumbnail, a play button, a title, author information, and a recording date. The first result is 'Interpersonal Reconstructive Therapy for Passive-Aggressive Personality Disorder Benjamin, Lorna Smith (Washington, DC: American Psychological Association)' with a recording date of '01 Jan 1999'. The second is 'EMDR for Trauma: Eye Movement Desensitization and Reprocessing Shapiro, Francine (Washington, DC: American Psychological Association)' with a recording date of '01 Jan 1997'. The third is 'Practical Psychotherapy With Adolescents Rubenstein, Alice K. (Washington, DC: American Psychological Association)' with a recording date of '01 Jan 1996'. The fourth is 'Short-Term Dynamic Therapy Freedheim, Donald K. (Washington, DC: American Psychological Association)'. On the right side, there is a 'Filter Results By' section with three options: 'Therapeutic approach', 'Therapist', and 'Therapy Topics'. At the bottom right, there is a 'Sort by relevancy | title' dropdown and a '63%' progress indicator.
