Simple Search

You can **search the terms** by Library Resources, Articles or Union Search; sort by material types.

- **Library Resources** includes Printed Books, Periodicals, E-Books, E-Journals, Audio Visuals and Institutional Repository.
- **Articles** is the journal articles from database, journals, free website.
- **Union Search** is the materials from other institutions. Physical material can be obtained via Inter-Library Loan.

Advanced Search

You can input **multiple searching terms** and **place different searching conditions** like choosing material type, selecting the language of the searching items, and selecting publication date to search results more precisely.
